Trainee Testimonials

"The material was very well prepared, to the point and even funny. Excellent program, I will definitely recommend to anyone interested in becoming "a real hero" in the classroom."

Fernando B., MCT

"The contents are informative and has a real-life feel to it. Thank you for this course, it was quite informative and also interesting."

Chinyere W., MCT

"The fact I could do it remotely."

Antony E., MCT

You know your subject...

But does your expertise translate into trainee learning?

A *Great Trainer* is someone who turns their subject matter expertise into effective learning. When you understand the science behind adult learning and develop an interactive skill-set, even dry subject matter becomes engaging. Become a skilled, confident and successful trainer who knows how to get their trainees interested and keep them engaged. We take you from good to *great!*

This Train the Trainer course fulfills Microsoft's MCT Instructional Skills requirements for Microsoft Certified Trainers.

Develop the world-class trainer skill-set necessary to be a highly effective global trainer.

Upon completion receive the MCT Approved Instructional Skills Train-the-Trainer Certificate. The course is designed for novice and seasoned trainers alike. Work online, at your own pace, from the comfort of your office or home!
